SUMMARY

I have over 6 years of professional photography experience and have a strong passion for front-end technologies and Software development. I recently completed a Front-End Developer Bootcamp at Promineo Tech in pursuit of a junior development position. Some of my short-term goals include developing my coding skills as a front-end junior developer and professional skills. Some of my long-term goals include becoming well-established in a company whose mission and goals resonate with me. Another long-term goal is to become a full-stack developer.

EDUCATION

PROMINEO TECH, Surprise, AZ (May 2022 – October 2022)

- **Program: Front End Software Developer**

Skills and technologies include JavaScript, ES6, Algorithms, OOP, Design Patterns, Unit Testing, HTML, CSS, Bootstrap, JQuery, AJAX, Responsive Web Design, ReactJS, JSX, NPM, Redux, AWS, and more.

Courses:

1. *Introduction to JavaScript (6 Weeks)*

Basic programming in JavaScript (ES6) to advanced Object-Oriented concepts, functional programming, design patterns, and unit testing. Version control with Git.

2. *Front End Technologies (6 Weeks)*

User interface design including HTML, CSS, Bootstrap, JQuery, and AJAX. Built dynamic, responsive applications using vanilla JavaScript and then JQuery.

3. *Web App Design with ReactJS (6 Weeks)*

Designed and built dynamic, modular user interfaces using ReactJS. Concepts include everything from basic JSX and components to advanced application development and deploying applications with AWS Elastic Beanstalk.

SOUTHWESTERN ADVENTIST UNIVERSITY, Keene, TX (2006 – 2010)

- Psychology – Major; Wellness – Minor
